Re: Supplemental Request for Information Pursuant to Section 104(e) of CERCLA and Section 3007 of RCRA for the Southeast Rockford Groundwater Site in Rockford, Illinois, hereinafter referred to as "the Site."

Dear Sir or Madam:

The United States Environmental Protection Agency (U.S. EPA) is currently investigating the source, extent and nature of the release or threatened release of hazardous substances, pollutants or contaminants at or near the Southeast Rockford Groundwater Site in Rockford, Illinois. This investigation requires inquiry into the generation, storage, treatment and disposal of such substances that have been or threaten to be released at or near the Site.

Pursuant to the authority of Section 104(e) of the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), 42 U.S.C. §9604(e), amended by Superfund Amendments and Reauthorization Act of 1986, Pub. L. 99-499, and pursuant to Section 3007 of the Resource Conservation and Recovery Act (RCRA), 42 U.S.C. §6927, you are hereby requested to respond to the Information Requests enclosed. Compliance with the enclosed Information Requests is mandatory. Failure to respond fully and truthfully to each and every Information Request within twenty (20) days of receipt of this letter, or to adequately justify such failure to respond, can result in enforcement action by USEPA. Pursuant to Section 3008 of RCRA, USEPA may seek the imposition of penalties up to twenty-five thousand dollars (\$25,000) for each day of continued non-compliance; and Section 104(e)(5) of CERCLA, as amended, authorizes the United States to seek penalties from a Federal Court of up to twenty-five thousand dollars (\$25,000) for each day of continued non-compliance. "Non-compliance" is considered by USEPA to be not only failure to respond to the Requests but also failure to respond completely and truthfully to each Request. Please be further advised that provision of false, fictitious, or fraudulent statements or representations may subject you to criminal penalties of up to ten thousand dollars (\$10,000) or up to five (5) years of imprisonment or both under 18 U.S.C. Section 1001.

USEPA has the authority to use the information requested herein in an administrative, civil or criminal action. This Information Request is not subject to the approval requirements of the Paperwork Reduction Act of 1980, 44 U.S.C. 3501 et seq.

Your response to this Information Request should be mailed to:

Karen Vendl
U.S. Environmental Protection Agency (5HS-11)
230 South Dearborn Street
Chicago, Illinois 60604

If you have any legal questions, please direct such questions to Ms. Elizabeth Doyle, Assistant Regional Counsel, at (312) 886-7951. If you have any other questions, please direct such questions to Ms. Vendl at (312) 886-4739.

Due to the seriousness of the problem at the Site and the legal ramifications of your failure to respond promptly and properly, USEPA strongly encourages you to give this matter your immediate attention and to respond to these Information Requests within the time specified above.

Thank you for your cooperation in this matter.

Sincerely yours,

A handwritten signature in cursive script that reads "Richard Karl".

Instructions

1. A separate response must be made to each of the questions set forth in this Information Request.
2. Precede each answer with the number of the Information Request to which it corresponds.
3. In answering each Information Request, identify all contributing sources of information.
4. If information is not known or is not available to Respondent as of the date of submission of its response, should information later become known by or available to Respondent, Respondent must supplement its response to U.S. EPA. Moreover, should Respondent find, at any time after the submission of its response that any portion of the submitted information is false or misrepresents the truth, Respondent must notify the U.S. EPA thereof as soon as possible.
5. For each document produced in response to this Request for Information, indicate on the document, or in some reasonable manner, the number of the question to which it responds.
6. You must respond to the Information Requests on the basis of all information and documents in your possession, custody or control, or in possession, custody or control of your former or current employees, agents, servants, contractors or attorneys. Furnish such information as is available to you, regardless of whether or not it is based on personal knowledge, and regardless of source.
7. Your response should be accompanied by a notarized affidavit from a responsible company official or representative stating

that a diligent record search has been completed and that there has been a diligent interviewing process with present and former employees who may have knowledge of the operations, hazardous substance use, storage, treatment, disposal or other handling practice of Respondent at the Facility. To the extent that any information you provide relating to these Requests is based on your personal knowledge, or the personal knowledge of your employees, agents, or other representatives, this information shall be in the form of a notarized affidavit.

8. If any documents requested herein have been transferred voluntarily or involuntarily to others or have been otherwise disposed of, identify each such document, identifying the person to whom it was transferred, describe the circumstances surrounding each transfer or other disposition, and state the date or approximate date of such transfer or other disposition.

9. The information requested herein must be provided notwithstanding its possible characterization as confidential information or trade secrets. You may, if you desire, assert a business confidentiality claim covering part or all of the information requested, in the manner described by 40 CFR 2.203(b). Information covered by such claim will be disclosed by the U.S. EPA only to the extent, and only by means of the procedures set forth in 40 CFR Part 2, Subpart B. [See 41 Federal Register 36902 et seq. (September 1, 1976); 43 Federal Register 4000 et seq. (September 8, 1978); 50 Federal Register 51654 et seq. (December 18, 1985).] If no such claim accompanies

the information when it is received by the U.S. EPA, it may be made available to the public by the U.S. EPA without further notice to you. You should read carefully the above-cited regulations, together with the standards set forth in Section 104(e)(7) of CERCLA, before asserting a business confidentiality claim, since certain categories of information are not properly the subject of such a claim, as stated in Section 104(e)(7)(ii) of CERCLA.
